

# XERISCAPING WORKSHOP

## May 14, 2011

**Xeriscaping** means landscaping with drought tolerant plants that require less watering and maintenance as standard lawns and gardens. This workshop will focus on selecting drought tolerant and native plants to southern Alberta.

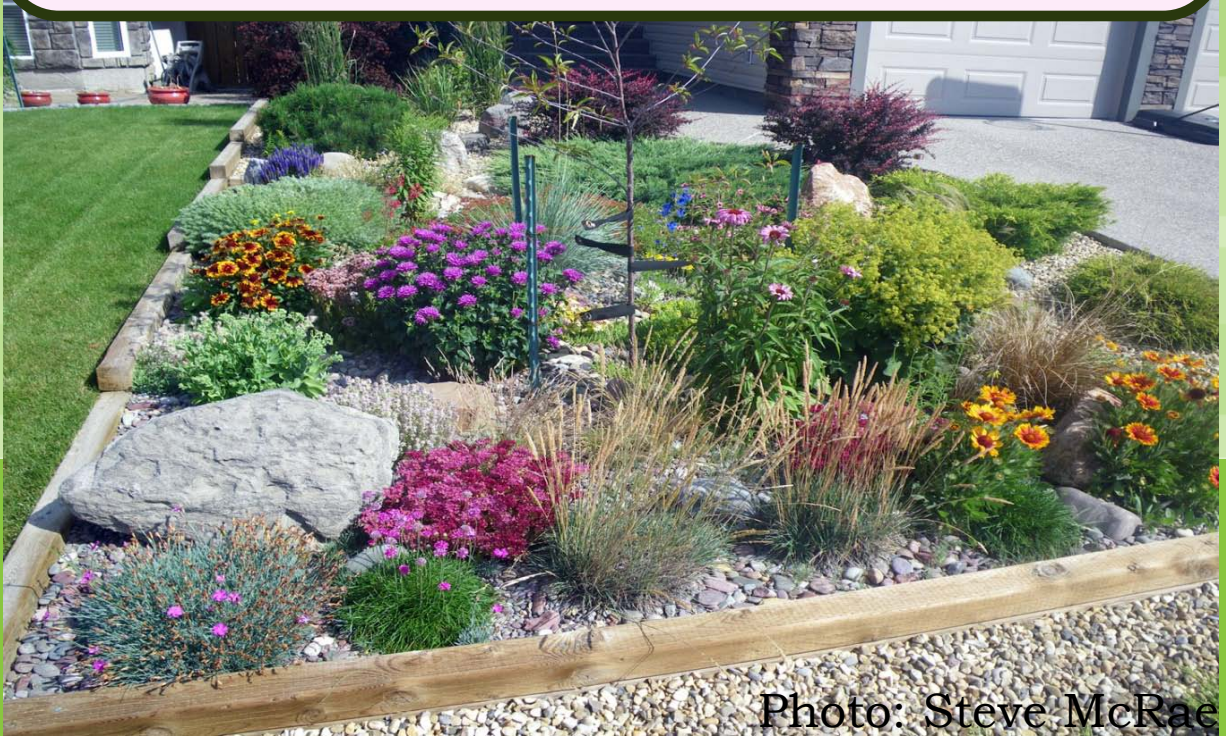

Photo: Steve McRae

**Cost is \$60 per household (subsidized by the CNP Agricultural Services Department to lower workshop costs).** Morning presentation. Afternoon personal consultations with the instructor. Pick up your checklist of required information about your yard or acreage in order to get the most out of the workshop. The list must be completed before the course. Contact: Kim Lutz, Agricultural Fieldman at 403-563-8658 or [weedinspector@crownsnestpass.com](mailto:weedinspector@crownsnestpass.com). **LIMIT OF 9 HOUSEHOLDS!**

**Course Instructor:** Steve McRae is a professor of plant taxonomy and rangeland management at Lethbridge College and owns his own xeriscaping company called *Prairie Xeriscape Designs*.

HOSTED BY THE CNP AGRICULTURAL SERVICES DEPARTMENT
